

Creative Challenge

The Adventure Challenge is another fairly wide-ranging challenge badge.

1. Take part in 4 different creative activities, this is the list from the Scouts website , and there is space at the bottom of the table to add a couple of others. Put the date next to any you try during your time as a Scout, you should have the opportunity to try at least four.

Activity	Date(s) you tried it.
music	
photography	
woodwork	
metalwork	
needlework	
cooking	
website design	
dance	

2. Choose a creative activity and develop your skills.

What activity did you choose?	
How did you develop your skills?	
What equipment do you need?	
What are the safety issues?	

3. Create something to promote local Scouting. For example a newsletter, poster, video, website, podcast or display.

Tell us what you did:

4. Show how to use social media or the internet safely and creatively.

Tell us what you did:

5. Take part in a performance. For example: a short play or series of sketches; performing magic tricks; singing; playing a musical instrument; being in a dance show, puppet show or Scout show.

Tell us what you did:

6. Make a model. This can be made from a kit or recycled materials. Alternatively you can make a useful item out of wood, metal or plastic. (NB we have joined the Warhammer Alliance, which will be providing materials for us to complete this part of the challenge.) Attach a picture of your model below:
