

# VIKING CHALLENGE

My name is Freya Upton and I'm an Explorer with Oldham District and a young leader at 20th Oldham Uppermill Scout Group.

I have created this Challenge Badge to fundraise so I can attend the World Scout Moot 2017 in Iceland.

Viking Challenge Badge

Email: [vikingbadge@gmail.com](mailto:vikingbadge@gmail.com)

This Viking Challenge is a selection of activities suitable for all sections on the theme of Vikings. I have split the challenge into 4 categories: Games, Craft, Other Activities and Food; with several challenges in each.

Activities include Longship beetle drive, Make your own Viking Helmet, Voyages navigation and Pizza shields.

I have a Facebook page for the challenge where you can share what you have done and can also find other ideas I have found.

On my Scout Group's website is the challenge pack with an overview of all the activities. There is also a pack for each category with the resources for the activities needed inside.

The Viking Challenge covers parts of over 20 badges over Beavers Cubs and Scouts challenge, activity and staged badges.

This challenge is also an extra badge on OSM.

When your group have completed the challenge you can reward them with my special Viking Challenge badges for £1 each.
